

Dear Future Grade 9 Students and Families,

Welcome to Grade 9 at Prince Albert Collegiate Institute! We are so excited to welcome you to PACI and help students begin this exciting new chapter. Starting high school can feel a little overwhelming, but our goal is to make every student feel supported, included, and successful from day one.

At PACI, we believe Grade 9 is about more than academics. It is a year filled with growth, friendships, new experiences, and opportunities to discover new interests and strengths. We work hard to create classrooms where students feel comfortable, confident, and encouraged to try new things.

One of our favourite parts of teaching Grade 9 is getting to know our students and building strong relationships with them throughout the year. We believe students learn best when they feel connected, supported, and comfortable in the classroom. We also believe learning should be fun! Whether it is school events, spirit days, hands-on activities, athletics, clubs, or just sharing laughs together in class, we want students to enjoy coming to school and making memories along the way.

Choosing Grade 9 at PACI means joining a caring and welcoming school community where there is truly something for everyone. We look forward to helping students build confidence, independence, friendships, and positive connections throughout the year.

We are excited for an amazing year ahead and cannot wait to welcome our future Grade 9 students to PACI!

*Sincerely,
Heather Straf & Brooke West
Grade 9 Teachers
Prince Albert Collegiate Institute*
